Thanks Steve. We are working on an agenda that we will send soon. I mentioned to David that it will be better to keep it to the essential (small) number of participants for a technical discussion since it is an initial meeting on this... ok?

Jorge,

Yes. We are confirmed for Thursday at 2pm. I plan to send out a scheduler in the morning with all of the EPA and LDEQ participants along with a call in number.

Thanks,
Steve
